ICFgroup

Senator CEO and Senator Boardroom complement the Senator office seating collection by offering a luxurious seating option for the boardroom, meeting room, and private office. This executive seating can be upholstered in a variety of material.

Shell:

The Senator CEO chair has a rigid reinforced polyurethane shell with a padded seat and back. These pads are made of soft polyurethane foam with soft Fortrel®.

The Senator Boardroom chair has a rigid reinforced polyurethane shell with a soft polyurethane foam layer.

Arms:

The Senator CEO chair offers five arm options as follows: urethane arm, urethane arm with wrap, urethane arm with upholstered cap, urethane arm with upholstered cap and wrap, and a fully upholstered closed arm as shown above left.

The Senator Boardroom chair offers four arm options as follows: urethane arm, urethane arm with wrap (shown above right), urethane arm with upholstered cap, urethane arm with upholstered cap and wrap.

Base:

A five-star base with pneumatic height adjustment, tilt locking mechanism and tilt tension control is standard on both the Senator CEO and Senator Boardroom chairs. The base is available in a black or polished aluminum finish.

Refer to the Nienkämper Seating and Tables price list for more information on the complete Senator seating collection or visit the Nienkämper website at www.nienkamper.com.
