Senator® Executive

Design: Nienkämper

nienkämper

Senator® Executive seating offers executive, task, and guest seating in one co-ordinated collection. This timeless design is suitable for conference rooms, meeting spaces, executive offices and general work areas.

Shell:
Reinforced rigid polyurethane frame, molded soft polyurethane foam and fortrel.
Upholstered in leather or fabric, with channel stitched detail.

Arms:
Four arm options: urethane arm, urethane arm with cap, urethane arm with cap and wrap, closed arm.

Base:
Standard 5-star base with pneumatic height adjustment, tilt lock mechanism, tension control and carpet casters. Hardwood floor casters or glides available. Sled base available on executive low back. Bases available in black or polished aluminum finish.

Rush Ship:
Nienkämper will ship up to 20 Senator® Executive Boardroom chairs (model 14122) within Canada or the United States in 10 business days. For complete details on this program and for orders over 20 contact Nienkämper Customer Service at **800.668.9318**.
