Biarritz 365
Biarritz 375
 Design: Nienkämper

Biarritz is suitable for more formal public seating spaces such as front lobbies and executive lounges. This chair has been used extensively in airport first class lounges and corporate guest seating areas.

Surround, Valance and Legs:

The Biarritz Collection offers many different finish options on the component pieces that make up the frame. The surround, valance and legs are available in standard Nienkämper wood veneers and stains, Granite finishes, or upholstered in fabric or leather.

Seat, Back and Top Cap:

Seat and back are hardwood construction, cut polyurethane foam and soft fortrel, webbed suspension.

Top cap is MDF (medium density fiberboard). All components are fully upholstered in fabric or leather.

Special Features:

Shown on front: The Biarritz 365 small club chair, model #11611 (right) and Biarritz 375 large club chair, model #11711 (left) both with a natural maple finish and veneer on the surround, valance, and legs.

Shown above right – Biarritz 375 large club chair, model #11711, with a standard cherry finish and veneer on the surround, valance, and legs.

Shown above left – Biarritz 375 large club chair, model #11712, fully upholstered in leather.
