

A red plastic chair with a metal frame is shown in the foreground. The chair has a curved backrest with a cutout and a seat. The metal frame is silver and consists of four legs. In the background, a white chair of the same design is visible, slightly out of focus. A semi-transparent grey rectangle is overlaid on the top left of the image, containing the text "ON CALL®".

ON CALL®

Classic contemporary design meets ultimate comfort and performance.

OnCall® is ready for duty, any place, any time.

OnCall

Simple yet sophisticated, and smart to boot – OnCall is the ideal multi-purpose seating for any range of corporate, institutional, and educational environments. Lightweight and mobile, OnCall's molded polypropylene back with handhold provides ultimate flexibility, and chairs easily stack for transport and storage. A 7/16-inch wire frame provides a clean profile, complete with a wall-saver to minimize wall scuffs and an ergonomically-designed crossbar that provides plenty of underleg clearance. Add an optional tablet arm and upholstered seat and back, and OnCall hits the mark as a comfortable all-day seating solution for classrooms and training facilities.

Available in 17 designer plastic colors with black or silver frame finish, mix-and-match features to achieve the look you want and the functionality you need.

Sustainability

You can rest assured that every product SitOnIt Seating makes is GREENGUARD and GREENGUARD Children & Schools certified, providing you with the confidence you need and the environmental stewardship you've come to expect.

Durability

Like all SitOnIt Seating products, the OnCall series is built to last. Every component meets and exceeds ANSI-BIFMA standards. Further protecting your investment is SitOnIt Seating's standard lifetime warranty, which helps ensure complete satisfaction for years to come.
