Serie Lounge
Linear seating elements.

Upholstered-furniture range with the elements stool, seat bench, easy chair and sofa - based on cubic elements with backrest. With function seam between seat surface and backrest for inserting variably positionable armrests.
Construction consisting of an inherently stable carcass of wood material with foam upholstery and wadding-fleece padding.
Frame made from chrome-plated tubular-steel brackets with plastic, felt or 2C universal glide elements and with 20 mm height adjustment.
Combination. Individual elements can be combined to create seating landscapes.
The following material groups are available to choose from: Frame made of steel: M7; Fabric cover: S16,45,46,51,53.
